Programme Forward

In 1952 Pencalenick Special School, near Truro, Cornwall, England, opened for children with learning difficulties. 2002 marks fifty years since Pencalenick Special School opened. This screen saver has been created to compliment the celebrations.

The screen saver depicts, in the shape of a computer generated rotating 3D model, the main house with some animated text.

Version 1.0

First launch of Pencalenick Screen Saver on the Internet.

Installing the programme

Double click on the SetUp Icon, the programme will install it's self into the System folder on your computer.

Once completed, right click on the Desk-Top and select Properties. Click on the Screen Saver tab, select PenGifSav and click OK. The screen saver should now work correctly. Click the Preview button to check the screen saver.

Freeware

This programme is freeware.

Redistribution

Under the Freeware licence of this programme, you may freely re-distribute it. However, the following conditions must be complied with.

1. You can only re-distribute it as Freeware.
2. You may not receive any payment, of any kind, for the programme.
3. The programme must remain in its original form including all files and documentation.

Placing this programme on a 'pay to access site' is not permitted.

Copyright

The copyright to Pencalenick Screen Saver remains with SKM Software and all other rights are reserved.

Disclaimer

SKM Software accepts no responsibility for any problems, loss of data or damage to your computer systems while using this programme. Users use this programme at their own risk.

Uninstalling Pencalenick Screen Saver

The programme comes with an uninstaller. However, you will not find a shortcut in the Start Menu.

You may remove the programme as follows:

- Using Windows Explorer navigate to the Windows folder
- Then to the System folder.
- In the System folder you will find the uninstaller labelled uninstall.
It's icon is in the form of an open book with a red cross. Double click on it to remove the programme.

[Please make sure that you select the correct uninstall icon](#)

We hope you enjoy the programme.

Regards

Steve Miles
